

Additional Information

***Does the institution have an integrated framework for Quality assurance of the academic and administrative activities? If 'yes', give details on its operationalization.**

The College ensures a continual assessment, quality development, appraisal and scrutinizing through accessible mechanisms in the University Ordinances which meet regularly at the level of faculty and students. Bringing quality in both teaching and administrative work has always been a serious concern for the College and constant efforts are made in this direction.

***Does the institution provide training to its staff for effective implementation of the Quality assurance procedures? If 'yes', give details enumerating its impact.**

The members of both teaching and non-teaching learn through participating in various activities and actively engaging themselves in the various committees of the College. Constant engagement in the management of different activities of the college and departments gives opportunities to learn to ensure quality in work. This kind of informal training gives way to a qualitative and noticeable impact on the overall functioning of the institution. The College encourages the staff members to undertake refresher courses, orientations programmes, ICT trainings, organized by University competent authorities and agencies in order to upgrade their academic skills.

***Does the institution undertake Academic Audit or other External Review of the academic provisions? If 'yes', how are the outcomes used to improve the institutional activities?**

At present, the College has only internal mechanism for Academic Audit as per the rules of the University. The Staff Council reviews, implements and monitors systemic checks to improve academics in the College. The academic activities, their progress and the curriculum delivery mechanism are monitored and maintained by the Staff Council and its Committees in order to enhance the quality of academics. It assesses curriculum, gathers departmental feedback, suggests infrastructural changes as well as revises workload and subsequent recruitment opportunities. In addition to that, the Staff Council and its various committees resolve infrastructural bottlenecks and periodically address the demands for human resources with the academic flexibility required for the optimization of institutional performance.

Departmental Committees are authorized to review and moderate the results of class tests and assignments that are components of Internal Assessments.

***How are the Internal Quality Assurance mechanisms aligned with the requirements of the relevant External Quality Assurance Agencies/Regulatory Authorities?**

The College makes constant efforts to align with the principles of brilliance; growth and development articulated in the University's and the Nation's plan of higher education laid out in its vision statement and mission tasks. The college is committed to assure quality in its administrative and teaching tasks and puts in dedicated efforts to align internal administrative and teaching mechanism with external regulatory authorities.

***What institutional mechanisms are in place to continuously review the teaching learning process? Give details of its structure, methodologies of operations and outcome?**

The Departmental committees follow the guidelines and instructions given by the University to review the teaching and learning process of the departments and decide their course of action accordingly. The Staff Council is the overseer of all the teaching and learning activities of the departments.

***How does the institution communicate its quality assurance policies, mechanisms and outcomes to the various internal and external stakeholders?**

The College strongly believes in transparency and accountability. All its policies and outcomes are communicated to all its stakeholders on timely basis and are placed in the public domain. The College documents results of its students and activities taking place throughout the year in the form of an Annual Report on the occasion of Annual Day celebrations of the College. The developments and achievements of the College are reported to the top management in the General Body meetings and all the information is made available in the public domain through the College Website, the Principal's Report and the Annual Report compiled for the University.
