MARCH 8, 2018- INAUGURATION

The Gender Sensitisation committee of MLNCE celebrated Women's Week from March 8-14, 2014 to mark International Women's day. Celebrations began on March 8, 2014 with the Guest of Honour Additional DCP, South West district Ms Monica Bhardwaj inaugurating the event along with Principal Ma'am Dr Vichitra. While Ms Monica Bhardwaj spoke about the social, economic, and political structures of patriarchy that need to be dismantled, Principal ma'am added that there is an urgent need for sensitising the society to ensure gender equality.

This was followed by a talk by cyber-crimes expert Mr. Ummed Meel on ways to deal with cyber-crime attacks, especially those faced by girls on networking sites. Mr Umeed has been working closely with Delhi Police in cracking cyber-crimes in the city.

MARCH 13 - PHOTOGRAPHY/PAINTING/POSTER-MAKING EXHIBITION-CUM-COMPETITION

A photography/painting/poster-making exhibition-cum-competition on the theme 'Life of a Woman' was organised for our college students on March 13, 2018. Students from all disciplines eagerly participated and creatively interpreted the theme. Our faculty marvelled at the critical capacity as well as creative prowess of the students. The submissions at the exhibition were later judged by Ms. Parul Batra, Dr. Bipul Kumar, and Ms Michelle Brahma. Pragya Thakur of History Honours, first year, won the first position for her poster that made a poignant comment on the struggles faced by women, right from the time of being an unwanted foetus, to experiencing menses and being shamed for buying sanitary pads, to playing second fiddle in the family, and facing gender based wage gap in employment. Monica Yadav, BA Programme, third year, was adjudged second for her strong message that women need to be confident in their own bodies, instead of adhering to the norms set by the male gaze. Both, Savita Negi of BA Programme first year, and Roushan of English honours first year secured the third position. Savita portrayed the iron chains of patriarchy clutching at the ankles of the woman that inhibit her from realising her dreams, while Roushan saw hope for her, as he painted a woman who is conquering all fields of profession today, be it academics, science, law, medicine or corporate.
